WHAT IS GOD SAYING TO ME TODAY?

TALK IT OVER TOGETHER

Here's how to process this week's message together with your friends and family!

HERE ARE SOME QUESTIONS TO HELP YOU PROCESS THE MESSAGE:

Start talking. Find a conversation starter.

- What are some childhood fears you experience remembering?
- How did you respond to those fears?

Start thinking. Ask questions to get your group thinking.

- What has helped you to get over some of the fears you've faced in your life? Share a specific story.
- During the message Pastor Kevin said, "What if you were made to live with fear, but you've just misplaced that?" What do you think that means for you?

Start sharing. Choose questions that create openness.

- Read Proverbs 9:10. What does fear start in you? How can the fear of God start something better?
- How can we see fear as good and bad? Explain your perspective.

TAKING THE NEXT STEPS

What's one fear you need to stop responding to?

TAKE A MOMENT TO REFLECT & PRAY:

Jesus... We've lived in fear of created things for too long. Help us to understand and accept that there is a fear that is healthy... the fear of being outside your will. We humbly repent of responding to many fears and neglecting our relationship with you. Help us to make responding to you our greatest joy and highest priority! Amen!
