TALK IT OVER TOGETHER

Here's how to process this week's message together with your friends and family!

HERE ARE SOME QUESTIONS TO HELP YOU PROCESS THE MESSAGE:

1. How are we like Legos? Describe which Lego you would be.
2. During the message, Pastor Kevin lists two different ways we connect with each other. Which of those are you more naturally gifted at? Which do you have to work at?
3. During the message, we discussed four things that keep us from meaningful connection. Which of those are problematic for you? Which do you know need immediate attention in your life?
4. How does vulnerability impact your relationships?
5. What does it really mean to be courageous?
6. How did Jesus model meaningful connection?

TAKE THE NEXT STEP

In the end, our lives will be more defined by connection that anything else. Many of us find reasons to run from meaningful connection. Those reasons are often rooted in lies.

Take a moment a right down lies that you've believed about connection:

- _____
- _____

Now… Pray and confess them to God and ask Him to heal your heart!

SCRIPTURES TO THINK ABOUT THIS WEEK:

"He made himself nothing by taking the very nature of a servant, being made in human likeness. And being found in appearance as a man, he humbled himself by becoming obedient to death— even death on a cross!" Philippians 2:7-8

"Do not weep! See, the Lion of the tribe of Judah, the Root of David, has triumphed." Revelation 5:5

"Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you." Ephesians 4:32
