TALK IT OVER TOGETHER

Here's how to process this week's message together with your friends and family!

HERE ARE SOME QUESTIONS TO HELP YOU PROCESS THE MESSAGE:

1. The terms "man" and "woman" have a lot of different definitions culturally, these days. What are your definitions of "man" and "woman"?
2. If we could view EVERY ONE as being made in the image of God, how could that change our perception of others?
3. What is the difference between equality and sameness?
4. Read Titus 2:2-7. What is God showing you about the differences between men and women?
5. Why would God create a humanity with two, complimentary natures? What does that show us about God and us?
6. What would happen in your relationships and home if you started celebrating differences instead of minimizing or criticizing them?

TAKE THE NEXT STEP

For us to truly be sexy on the inside we must accept that God created us with a purpose and a plan. Often we know purposes that God has for us, but we resist them and push back against what is truly best for us.

What are two things you've resisted:

- _____
- _____

SCRIPTURES TO THINK ABOUT THIS WEEK:

"For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well." Psalm 139:13-14
